

JOYRIDER HELD FOR FLIGHT AFTER KILLING WOMAN

Kern and Brother Arrested
After Wrecking Prof. Conrad's Car on Long Island.

DENY CAR HIT WOMAN.

Brothers, However, Admit
Taking Employer's Motor
Without His Permission.

George L. Kern, twenty years old, of No. 36 Franklin Avenue, Maspeth, L. I., chauffeur for Prof. Henry Conrad, a musical director of No. 1277 Madison Avenue, and his brother, Gustaf, eighteen, were locked up today in the second Branch Detective Bureau on charges of homicide and grand larceny. They are alleged to have been in the automobile that killed Miss Ella C. Foote at Seventh Avenue and Fifty-sixth Street Sunday night, and disappeared at increased speed.

Miss Foote was fifty-five years old and a wealthy woman who for years had spent the winter months at the Hotel Marlborough. She had a home in Lakewood and was a daughter of Judge Samuel A. Foote of Geneva. The automobile that killed her was going at great speed, it is said by the only two eye-witnesses found, A. B. Charles of No. 77 East Eighty-ninth

Street, and Dr. Harry Zankes of the College of Physicians and Surgeons. The latter was within six feet of the car and got a good look at it and the two men in it, but did not get the number.

CAR IS WRECKED AFTER WOMAN IS KILLED.

George Kern has been employed twice by the Conrads. Nine months ago, the police were told, he was discharged for "joy riding." Five months ago he was re-engaged on condition that he would not repeat the offense of taking the car without permission. The machine was kept in the Niagara Garage, No. 74 East Eighty-ninth Street, last Sunday it was out of order and Kern worked on it until 4 P. M. He then took it to the Conrads, but they did not want it. The police say he rode to his home, in Maspeth, instead of taking the car back to the garage, and it did not reach the garage until shortly before 8 o'clock. The records at the garage show that at 8:05 Kern again took out the car.

Kern's story, according to the police, is that he went to Third Avenue and got some girl friends whose testimony he says, will prove an alibi for him on the charge of killing Miss Foote. He later crossed the Fifty-ninth Street bridge, he says, and returned to Maspeth. At 8:30 he collided with a trolley car at Woodside, L. I., wrecking the automobile and damaging the trolley. He and his brother escaped injury, and, abandoning the auto, walked to Wakefield, L. I., and stopped at the home of a friend named Bender.

Bender, according to the police, says Kern told him of taking the car out and wrecking it in the collision, and said he was going to "make a getaway." He went home, packed his grip and came to New York. He says he rode up and down in the subway until 4 A. M., and then walked the streets until 9, when he went to see another brother, employed as superintendent of a Manhattan building. He was advised to go to Mr. Conrad and make a clean breast of everything, but

did not. Instead he returned home.

NOTHING ABOUT RUNNING DOWN A WOMAN.

Although Kern told his troubles to Bender, his brother and his mother, he did not say anything about running down a woman, as far as the police can learn.

The abandoned car was found by the police of Woodside and put in a garage there. Mr. Conrad did not have occasion to use his automobile until about noon yesterday, when he telephoned the garage and learned it had not been there since Sunday night. He then notified the police.

In the mean time an anonymous telephone message had been received by the police that it was the Conrad

car that killed Miss Foote, and Detective Burgess was assigned to investigate.

Last night he went to the Kern home and arrested the chauffeur and his young brother.

Woman Victim of Taxicab Hiten. A woman who was mortally injured in Hempstead last night when she walked blindly in the storm into the motor cab of Thomas Twiss in Main Street, was identified at Minto hospital today as Mrs. Catherine Ward, a widow. She died at the hospital last evening. She was employed by Mrs. L. L. Milbank of Garden City as housekeeper.

Body Is Found at City Island. The body of William Shalins, fifty-five years old, an orderly employed on Hart's Island, was found today at the foot of Carroll street, City Island. He had drowned.

See Lamberts Today

Christmas and the Lambert assortments give you opportunity to make gifts of jewelry, rings, watches and silver that may have been in your mind a long time. Your friends who do not feel like buying jewelry for themselves will be delighted with your thoughtfulness.

We give only a few details to-day, but would remind you that every form and style of Diamond, Platinum and Solid Gold Jewelry and Diamond, Platinum and Solid Gold Rings you could desire as Christmas presents are obtainable at Lamberts. Many of them are made on the premises. This means an important saving of your money and you need not pay even the modest Lambert prices at once. We will, if you desire, lay away your gifts and you need not pay for them until you want them.

Why Diamond Engagement Rings Are Low-Priced at Lamberts

What you have read of the high prices of Diamonds is true enough in many jewelry stores where supplies are bought through middlemen, who themselves must pay the lately increased duty. Lamberts did not wait for high duties, but made big purchases of diamonds, selected by an expert in the firm who paid spot cash for them and got them into the Lambert store before the supply was cut off. Lambert salesmen explain clearly the different grades of diamonds. Our own workmen mounted them in our own factory, some in solid 14 karat Gold, some in solid 18 karat Gold, others in platinum.

Come and see Diamond Engagement Rings from \$10.00 to \$1,500.00 and other Diamond Jewelry illustrating our excellent factory work and money-saving policy.
